

6000 Series Self-Service Terminal

Front: 26" w x 78" h

Sides: 37" d

The ITI 6000 Series Self-Service Terminal (SST) is a versatile solution that allows your customers 24/7 access to Motor Vehicle Agency transactions. Requiring only a footprint of 7 square feet, the 6000 Series SST processes high-volume transactions that require thermal transfer document printing, such as motor vehicle registrations, as well as other payment collection transactions. 6000 Series SSTs have the ability to process credit and debit payments according to agency needs.
