

6500 Series Self-Service Terminal

The ITI 6500 Series Self-Service Terminal (SST) is a versatile solution that allows your customers 24/7 access to Motor Vehicle Agency transactions. Requiring only a footprint of 10 square feet, the 6500 Series SST processes high-volume transactions that require thermal transfer document printing, such as motor vehicle registrations, as well as other payment collection transactions. SSTs have the ability to process check, credit, and debit payments, according to agency needs.
