

KnowTo *DRIVE* PRODUCT

ITI's *KnowTo Drive* is the industry's most comprehensive road knowledge testing product. With the ability to test in a motor vehicle agency, at home, or with third-party agents, *KnowTo Drive* assists in reducing MVA traffic while still offering a secure and educational exam.

AUTOMATED TESTING

Web-based testing eliminates paper exams and allows for immediate results.

REDUCE FRAUD

Step-by-step ID and personal history checks reduce fraudulent test takers and proctors.

REDUCE DMV TRAFFIC

At-home test taking and third-party agents keep added traffic out of your office.

NO UPFRONT COST

Transactional model covers everything—tests, equipment, and any changes. No capital outlay.

ENHANCED SECURITY

Adaptable to meet your operational and security requirements

Utilizes cutting edge fraud detection and prevention methods
