

# 6600 Series Cash Self-Service Terminal

The ITI 6600 Series Self-Service Terminal (SST) is a versatile solution that allows your customers 24/7 access to Motor Vehicle Agency transactions. Requiring only a footprint of 13 square feet, the 6600 Series SST processes high-volume transactions that require thermal transfer document printing, such as motor vehicle registrations, as well as other payment collection transactions. SSTs have the ability to process cash, credit, and debit payments according to agency needs.
